

Sliding Patio Doors

Effortlessly open and close a Homeframe sliding door to provide easy access to your garden or patio, whilst creating huge amounts of light inside.

“Sliding patio doors are perfect where homeowners want access to a garden or patio, but are limited with space”.

Practical & Versatile

PVC-U sliding patio doors from Homeframe are particularly popular with homeowners where space is at a premium. Rather than opening in or out, the doors slide easily from side to side to help you maintain room space.

PVC-U sliding patio doors are available in a choice of colours that look great from the inside and out.

When space is at a premium, choose Homeframe sliding patio doors.
